

THRILLER

THE MARRIAGE PASS

SYNOPSIS

With Dorian (Shane Marriott) and Shantae's (Sagine Sémajuste) marriage in a bad place, Shantae proposes a "marriage pass" as a last-ditch effort to fix things. They agree that each person gets to sleep with one other person for one night only, and the identity of that person must remain anonymous to the other. Things get complicated, however, when Dorian uses his pass to sleep with Shantae's troubled sister, Reagan (Krista Nazaire). Reagan becomes obsessed with him and begins to stalk and harass him, threatening to reveal the truth to Shantae. Meanwhile, Shantae suspects Dorian is hiding something from her, and Dorian fears that Shantae has developed feelings for a mysterious man that she's been texting.
