# TMZ PRESENTS: O.J. HOW HE REALLY DID IT

## SYNOPSIS

It's been 30 years since OJ Simpson killed Nicole and Ron, and Harvey Levin, who covered the murder trial from start to finish, is ready to tell stories you have never heard, including how he chased OJ from the scene of the crime just days after his acquittal. He shares stories about what really happened on June 12, 1994, and how prosecutors got the story wrong. From secret lie detector tests, to people who might have helped OJ pull off the shocking crime. *TMZ Presents: O.J. How He Really Did It*, streaming on TUBI Wednesday, June 12th.
